Piano Song Books Fake Book

A piano fake book allows you to read and play music on your piano. But unlike your typical books, which contain the score as written by the composer or arranger, a fake book is more of a reference for the songs. Generally, the songs are written much more concisely, or are abbreviated with only the melody and chord names written in.

The Real Classical Fake Book - Piano.pdf - Google Drive

Fake books and Real Books are essentially the same thing - a simple melody line, with one or two chords listed above per measure and sometimes the lyrics of the song are noted, depending on the tune, and depending on which type of real/fake book you use. To start, I'd recommend you not over-complicate things.
