Create Interesting
Pictographs in
PowerPoint

Pictograph is one of my list of the advanced Excel charts. The best thing which I like about this chart is we can use any kind of picture in it, there is no limitation about it. And you don't need to

Read Free Pictograph Template

worry about the picture you have added, it remains there in the clipboard. I'm sure this chart will help you to present your data in a better way.
