Mathematical skills for the physical sciences mastery test
Many athletes use pain relievers to avoid pain. If you feel persistent pain, don't use pain relievers to mask it, though. Taking large amounts of pain relievers — or, worse yet, taking pain relievers for a long time in order to play — can be dangerous.

Sports and Exercise Safety (for Teens) - Nemours KidsHealth
This handout provides answers to the following research-related questions: Where do I begin? Where should I look for information? What types of sources are available? Research isn't something that only scientists and professors do. Any time you use sources to investigate claims or reach new conclusions, you are performing research.

Where to Begin // Purdue Writing Lab
Summary: Evaluating sources of information is an important step in any research activity. This section provides information on evaluating bibliographic citations, aspects of evaluation, reading evaluation, print vs. online sources, and evaluating Internet sources.
