*Plato was a philosopher during the 5th century BCE. He was a student of Socrates and later taught Aristotle. He founded the Academy, an academic program which many consider to be the first Western university. Plato wrote many philosophical texts—at least 25. He dedicated his life to learning and teaching and is hailed as one of the founders of Western philosophy.*

*1. Plato's central doctrines. Many people associate Plato with a few central doctrines that are advocated in his writings: The world that appears to our senses is in some way defective and filled with error, but there is a more real and perfect realm, populated by entities (called "forms" or "ideas") that are eternal, changeless, and in some sense paradigmatic for the structure and ...*
