An ebook (short for electronic book), also known as an e-book or eBook, is a book publication made available in digital form, consisting of text, images, or both, readable on the flat-panel display of computers or other electronic devices. Although sometimes defined as "an electronic version of a printed book", some e-books exist without a printed equivalent.

Ebook - Wikipedia

Harvard adopted the terms at its establishment in 1636, and most universities and high schools in the United States followed foot. While this explains why U.S. high schools and colleges use the terms freshman, sophomore, junior, and senior, we will further explore the origin of these terms in the following paragraph..I pledge to reduce my carbon footprint through my diet and inspire others to ...
