Using Your Polaroid Land Camera

The Land Camera is a model of self-developing film camera manufactured by Polaroid between 1948 and 1983. It is named after their inventor, Edwin Land, who developed a process for self-developing photography between 1943 and 1947. After Edwin Land's retirement from Polaroid, the name 'Land' was dropped from the camera name. The first commercially available model was the Model 95, which ...
