Polo 9n Engine Swap

First off apologies for the bad audio throughout this video won't happen in future videos, today I finally got around to installing the PCV pipes and a few of the radiator hoses!

engine swap - Ford 9N, 2N, 8N Forum - Yesterday's Tractors

I was wondering is there any other V8 engine you can swap into a 9n ford tractor besides the old flat head V8? I wouldn't mind going that route but they are so expensive. The reason I ask is my engine is toasted and cracked and a direct replacement is out of the question right now. Any help would be greatly appreciated.

V8 Engine swap - Ford 9N, 2N, 8N Forum - Yesterday's Tractors

Part 1 as I go through and disassemble the engine from my Ford 9n tractor. I was doing a full rebuild, but ran out of time and was only able to Video the disassembly process.

szczurek swap polo 2,3 v5

seeing as my situation has changer, i don't need a work van now, my missus has kept her new beetle so i have my 1.4 8v polo going spare. i want to keep it for a bit, because i have spend a few quid on it recently (coillies, rims and exhaust) and I'm not going to get it back. but its dog slow and not fun for me, does anyone know much about engine swaps on them? nothing redicoulous really, just ...

Polo 9n3 - YouTube

The engine will bolt up but if the 8N was a side mounted distributor you will not be able to swap all the accessories because the 9(2)N is a front mounted distributor. Things like distributor, generator, fan belt, regulator and may be others will not fit.
