Polymer Chemistry Introduction by Malcolm Stevens - AbeBooks

This text is intended as an introductory text for a course in polymer chemistry for advanced undergraduates or graduate students, as well as an introduction to the field for industrial chemists. It is necessary to say this here even though this text is a third edition because these statements were not made in the review of the second edition (J. Chem. Educ. 1991, 68, A185). <P />I would never ...
