McHale's previous book, Postmodernist Fiction, had seemed to propose a single, all-inclusive inventory of postmodernist poetics. This book, by contrast, proposes multiple, overlapping and interesting inventories - not a construction of postmodernism, but a plurality of constructions. - Publisher.

The Cambridge Introduction to Postmodernism by Brian McHale

McHale offers an outlook of what is to come next: an attempt "to describe the repertoire of strategies upon which postmodernist fiction draws in order to foreground the ontological structure of text and world" for which he uses "Hrushovski's three dimension", i.e. the reconstructed world, the text continuum, and - instead of the modernist dimension of speakers, voices, and positions - the ...

Brian McHale's work on postmodernist fiction has sometimes been described as difficult to work through, but I'd say this is one of the clearest works on postmodernist literature. I find his explanations quite easy to follow, even in a field as scattered, controversial and unclear as postmodernism sometimes can be.
