- *For AS Level components, small adjustments may be made to the marks awarded for some versions of the paper, and to the component thresholds, in order to neutralise any differences in the difficulty of the versions taken in different countries, and so make sure that all candidates face an equal demand.*

*Grade Thresholds Cambridge International AS & A Level*

*In the new, linear A levels it's much more straightforward. There are no UMS marks, and all the papers are A level papers. Exam boards will use predictions to identify an overall subject-level grade boundary for A\*, and students who achieve that mark or higher will get an A\*. Here's an example to show how that will work.*
