lessons of introductory earth science. Each of these simple and fun video lessons is about five minutes long and is sequenced to align with the Introduction to Earth Science textbook chapter.

Earth Science, 11e

1.4 Earth System Science

Earth system science aims to understand Earth as a system made up of interacting parts, or subsystems. A system can be any size group of interacting parts that form a complex whole.

- In a closed system, matter does not enter or leave the system.
- In an open system, energy and matter flow into
