How do I store the iron? Store the iron in the upright position, never wrap the cord around the iron and empty all water from the iron. It is best not to store the iron in dust prone areas such as a laundry room where dust can settle in the opening of the water reservoir; dust will eventually cause blockage and prevent the iron from steaming.

Using a Proctor Silex iron is easy, and following a few simple steps can help you remove those unwanted wrinkles. Use plain tap water to fill the water tank opening to the fill-line. Make sure you don't overfill, because the water will spill and wet the ironing board or the garments on the ironing board.
