### Productivity Planner - Be More Productive – Intelligent Change

Productivity Planner combines the Ivy Lee Method (a proven process for achieving peak productivity) into a daily planner that combines distraction free time-management with completing a prioritized task list to make actual progress on your goals versus the endless busywork of emails, meetings, and distractions that often eat up your day and ...

### Amazon.com : Productivity Planner - Daily Planner - Non ...

This planner is a good alternative to the Productivity Planner if you want a "100 day challenge" planner instead of a daily planner that you'll use forever. I like the Productivity Planner better because it's easier to use, takes less time to complete, lays flat, and is more visually appealing.
