Read Book Psychological Testing Anne Anastasi

Anne Anastasi - Simple English Wikipedia, the free ...

Anastasi describes the summer of 1929 as the peak period of her psychological training(1990). She says this because of three memorable unrelated experiences. First she was given a summer research assistantship with Charles B. Davenport at the Carnegie Institute of Washington where she assisted in devising culture-free tests, this being one of her first experiences with researching tests.

Psychological Testing Anne Anastasi

The 1990's have witnessed a continuation and expansion of the upsurge of interest in psychological testing that was evident in the 1970's. The growth is indicated by the development of new tests some representing novel approaches as well as by the revisions of earlier tests and research on existing tests.

Psychological Testing (7th Edition): 9780023030857 ...

Anne Anastasi (December 19, 1908 – May 4, 2001) was an American psychologist best known for her pioneering development of psychometrics. Her generative work, *Psychological Testing*, remains a classic text in which she drew attention to the individual being tested and their responsibilities of the testers. She called for them to go beyond test scores, to search the assessed individual's history to help them to understand their own results and themselves.
