Passed the PTA exam first time out with surprisingly high score and this probably made a big difference. Well worth it for building test endurance, which is what you'll need. The software for the sample exams breaks down errors/successes/scores (all printable) by content areas which helps one zero in on what to study further.

### **Scorebuilders**

Covered everything, including some stuff we glossed over in class. Used it as a supplement to my class materials and came away with a great score on the licensing exam. If you use this book, take the practice tests, and put in the study time, you will almost certainly pass the exam.
