9781433805592: Publication Manual of the American ...

APA Style is a writing style and format for academic documents such as scholarly journal articles and books. It is commonly used for citing sources within the field of behavioral and social sciences. It is described in the style guide of the American Psychological Association, which is titled the Publication Manual of the American Psychological Association. The guidelines were developed to aid reading and comprehension in the social and behavioral sciences, for clarity of communication, and for "writing that is clear, concise, and free of bias."
