### Quality Manual in ISO 9001:2015 Not mandatory; necessary

Often companies go overboard and create a huge, unmanageable Quality Manual that is basically a re-writing of the ISO 9001 standard change from "you shall" to "we will." While there is some argument that this gives a written example of the company's commitment to requirement in the standard, such a document tends to be long and not easily read and understood by many ...
