Wiser by Cass R. Sunstein (ebook)

Reid Hastie. University of Chicago - Booth School of Business. Date Written: April 2008. Abstract. Many groups make their decisions through some process of deliberation, usually with the belief that deliberation will improve judgments and predictions. But deliberating groups often fail, in the sense that they make judgments that are false or ...

About-datasciY.com

Why? Many blame bad decisions on "groupthink" without a clear idea of what that term really means. Now, Nudge coauthor Cass Sunstein and leading decision-making scholar Reid Hastie shed light on the specifics of why and how group decisions go wrong—and offer tactics and lessons to help leaders avoid the pitfalls and reach better outcomes.
