Books similar to The Druid Series 1-3: Reapers / Bled ...

The Druid Series 1: Reapers (2013) About book: Well, I'm not sure how I feel about this one. I don't mind the erotic part, or even the rape part, but what gets me is that there's no real depth to the story. There's no humor either. It's kind of like the author was rushing from one sex scene to the next and barely filling in the middle.
