Regionalism, Globalisation and International Order Europe ...

This view of Regionalism is often called 'open-regionalism' and it "is the dominant theoretical model of the globalisation-regionalism relationship". As such, it presents "regionalism as a way station to globalization" [18] and it also regards it as standing "more and more in the centre of the globalized economics and world politics" [19] .

Regionalism Globalisation And International Order The ...

Regionalism and globalisation are two very different concepts: yet they inevitably work together. In order to establish their relationship, let's distinguish between them first. So, what really is regionalism? Regionalism is the process through which geographical regions become significant political and/or economic units serving as the basis for cooperation and possibly identity.
