History of Instant Replay | NFL Football Operations

The trend of combining role-playing elements with arcade-style action mechanics was popularized by *The Tower of Druaga*, an arcade game released by Namco in June 1984. While the RPG elements in *Druaga* were very subtle, its success in Japan inspired the near-simultaneous development of three early action role-playing games, combining *Druaga*'s real-time hack-and-slash gameplay with stronger RPG ...
