Retail Store Operations - Management Study Guide

The best time to establish policies and procedures for your retail store is during the planning stages. By anticipating problems before you open your doors, you can strategize how you'll handle special situations, as well as the normal day to day operations. This helps avoid making mistakes once you're faced with real-life customers.

Operations!Manual! - Women's Clothing, Designer Shoes ...

The retail career path still allows employees to climb the corporate ladder from an entry-level retail store job to a retail management position. But these days, most headquarters jobs require specific education and experience, and most upper-level retail executives today start their careers in headquarters positions, not as store cashiers.
