Re-Thinking International Relations Theory via Deconstruction

International Relations (IR) theory has seen a proliferation of competing, and increasingly trenchant, worldviews with no consensus on how to evaluate their relative strengths and weakness. This innovative new text provides an original interpretation of how best to navigate the clash of perspectives in contemporary IR theory. The book provides a systematic overview of the main worldviews ...

Identities, Borders, Orders: Rethinking International ...

The value of IR theories and theorizing have been challenged to the extent that scholars investigated whether this heralded “the end of International Relations theory” (Dunne, Hansen, and Wight 2013).

Rethinking International Relations Theory Via Deconstruction

As such, post-Western International Relations theory can be largely viewed as an offspring of scholastic explorations aimed at breaking epistemological imperialism in International Relations. Not surprisingly, the non-Western ‘rising powers’ in global politics are taking particular interest in designing a post-Western International Relations theory.

Re-Thinking International Relations Theory via ...

International Relations (IR) theorists have ceaselessly sought to understand, explain, and transform the experienced reality of international politics. Running through all these attempts is a persistent, yet unquestioned, quest by theorists to develop strategies to eliminate or reduce the antinomies, contradictions, paradoxes, dilemmas, and inconsistencies dogging their approaches.

Re-Thinking International Relations Theory via Deconstruction

This book is an effort to re-think international relations (IR) theory, or, more accurately, various theories of IR, yet without suggesting a new paradigmatic ‘ism’, a synthesis of sorts, or any type of grand theorizing. Rather, the book proposes a new conceptual-operational framework for critiquing and re-thinking IR theories.

Re-Thinking International Relations Theory Via ...

International Relations theory emerged in the 1930s with the triumph of realism over utopianism, a triumph that created a discourse that has been unable to make a substantial contribution to the ...

Rethinking International Relations Theory

Rethinking International Relations Theory via Deconstruction attempts to offer a ‘rethinking’ of contemporary IR theories through an ‘experience’ of Derridean deconstruction. As Arfi observes, while ‘IR theorists have ceaselessly sought to understand, explain, and transform the experienced reality of international politics’, they pursue this goal by ‘eliminating or reducing the ...
