Josh Ryan-Collins is Senior Research Associate at the Centre for Innovation and Public Purpose at UCL. Laurie MacFarlane is the Economics Editor of opendemocracyUK. Together they will be discussing their book, 'Rethinking the Economics of Land and Housing', described by the Financial Times as "a lucid exposition of the dysfunctional British housing market".. Why are ...

**Rethinking the economics of land and housing**

Looking at the ways in which discussions of land have been routinely excluded from both housing policy and economic theory, Rethinking the Economics of Land and Housing argues that in order to tackle these increasingly pressing issues a major re-thinking by both politicians and economists is required.

**Rethinking the Economics of Land and Housing**

Thus Rethinking Economics cannot explain why land value tax has appeared on all the main political parties' manifestos, except the Conservatives, and Labour nearly won the election on the basis of its manifesto for economic reform, all of which is presumably against the wishes of the rich and powerful.
