Reversed Thunder – Words of Hope

Revelation Revealed is an expository commentary that pushes through popular misconceptions and explains Revelation in a clear and engaging manner. Often viewed as a confusing book that is difficult to understand, filled with all kinds of incredible imagery, Revelation actually brings a message of hope in times of perplexity and crisis.

Reversed Thunder reads the
Revelation of John as a masterpiece
of poetic symbolism, definitely NOT as
a detailed prediction of several
centuries of human history: “. . . we
must not read it as if it were an
almanac in order to find out when
things are going to occur, or a
chronicle of what has occurred.”

This is where you come in. I have taken the phrase 'reversed thunder' from the book by Eugene Peterson of the same name. It is a great book, which unpacks the message of the book of Revelation, and in doing so explores the theme of prayer, which has been called (by a guy named) 'reversed thunder.'
