How to Use These AP Chemistry Notes. The notes in this article can be used to study smaller portions of the curriculum or to review for the final AP Chemistry exam. As of the 2019 updates, there are nine units that organize all the concepts in the course, so I've categorized these notes according to that framework.

Unit 8 Review Sheet Answer Key - Weebly

During the first year of high school chemistry or the first semester of college chemistry, all the terms, units of measurement, and atoms, molecules, elements, and compounds may seem a bit overwhelming. The good news: Your Chem I class doesn't have to be torture. This handy Cheat Sheet provides some basic information you can refer [...]
