Limitations: Hosting has it's limitations due to the amount of data being transferred and processed. For Example: Figure 1 player is a constant 250k upload speed, 2 players jumps over 500k, when it hits 5 you're over 1 meg constant upload speed. This also exponentially increases the more clients join.

HI TOAD, IMO this isn't playing the game, I consider ROF a sim. There is nothing wrong setting gun sight views. In real life, you would move your head right where you want it in order to be able to aim properly, not only that but you would also know the exact distance in front of the plane to where your guns would converge together and you would get a better situation awareness as well sitting ...

### **“RISE OF FLIGHT” MISSION EDITOR USER MANUAL**

Rise of Flight transports you to a time when courageous pilots fought each other for control of the sky high above the bloody trenches. In aircraft made of canvas and wood they battled to the death. While some survived to become legends, most met a fiery fate.
