ManyBooks is one of the best resources on the web for free books in a variety of download formats. There are hundreds of books available here, in all sorts of interesting genres, and all of them are completely free. One of the best features of this site is that not all of the books listed here are classic or creative commons books. ManyBooks is in transition at the time of this writing. A beta test can also find books by browsing genres, popular selections, author, and editor's choice. Plus, ManyBooks has put together collections of books that are an interesting way to explore topics in a more organized way.

SynthShack - Roland D-5 Service Manual

The Roland D-5 patch editor works in the synthesizer's Multi Timbral Mode. To use the editor, make sure your synth is set to Multi Timbral mode. Also, use the top-right settings menu (the gear icon) to choose which of the 8 parts you want to fetch/edit. The MIDI Channel setting in that menu controls which channel the notes of the In App keyboard are sent to, so you should set that to match the MIDI Channel of the patch you want to edit.
