Roman Britain - Wikipedia

The Roman conquest of Britain was a gradual process, beginning effectively in AD 43 under Emperor Claudius, whose general Aulus Plautius served as first governor of Roman Britain. Recruitment for the Roman army was generally based in Italia, Hispania, and Gaul. The constitution of the invasion force followed that of most Roman legions: There were the usual legions made up of cohorts and centurions, and auxilia making up archers and ranged troops, as well as usage of a small group of cavalry. Man

A History of Roman Britain by Peter Salway

At the time of the Roman arrival, Britain (originally known as Albion) was mostly comprised of small Iron Age communities, primarily agrarian, tribal, with enclosed settlements. Southern Britain shared their culture with northern Gaul (modern day France and Belgium); many southern Britons were Belgae in origin and shared a common language with them.

Roman Britain was the area of the island of Great Britain that was governed by the Roman Empire, from 43 to 410 AD.—131 It comprised almost the whole of England and Wales and, for a short period, southern Scotland. Julius Caesar invaded Britain in 55 and 54 BC as part of his Gallic Wars. According to Caesar, the Britons had been overrun or culturally assimilated by other Celtic tribes during the British Iron Age and had been aiding Caesar's enemies. He received tribute, installed the ...
