***Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms***

***The problem is the amp. I'll be running it with a Marantz CD6000 OSE and the Rotel RA 04SE I demoed in the shop sounded great but I'm lazy and the lack of a remote is a problem. The 05 SE has a remote, is pretty much the same amp but costs £160 more for a slightly inferior sound and this too is a problem.***
