Book Review: Rotters by Daniel Kraus » Muggle-Born

Rotters is a 2011 young adult novel written by Daniel Kraus. A macabre bildungsroman , or coming-of-age story, set mainly in Iowa, Rotters concerns a sixteen-year-old boy named Joey Crouch. Joey moves from Chicago after his mother dies in a freak accident.

Daniel Kraus - NY Times Bestselling Author of The Living ...

Daniel Kraus's writing style in Rotters is very meandering. It is quite literary. By this I mean he's very descriptive. He uses similes and metaphors. Rotters reads more like an adult book than a YA book. I think it would be a good book to give to someone who thinks all YA is drivel, because this book is clearly not drivel. It moves at a sinister pace. There's a slow, lingering feeling of discomfort while reading, mainly because the book just gets creepier and creepier in intensity ...

Rotters Daniel Kraus

Daniel Kraus's masterful plotting and unforgettable characters make ROTTERS a moving, terrifying, and unconventional epic about fathers and sons, complex family ties, taboos, and the ever-present specter of mortality. Winner of the Odyssey Award.

Rotters by Daniel Kraus Book Review | Good Books & Good Wine

Rotters by Daniel Kraus defies all boundaries, adult, young adult, and everything in between. If you go into this book thinking you know what is going to happen, you are going to be sadly mistaken! Joey's mother dies in a freak accident and he is shipped off to live with his father who he never met.

Rotters Summary | SuperSummary

The second novel from Daniel Kraus, Rotters is ostensibly a Young Adult book, but in truth is a very mature and dark affair. Part teenage misfit/coming of age story (albeit via a much darker avenue than the usual self-discovery tales), part atmospheric, grave-robbing secret-society yarn, I loved the idea of this novel, especially with its potential focus on such an old, ethically contentious tradition.

Rotters / Review

Rotters NPR coverage of Rotters by Daniel Kraus. News, author interviews, critics' picks and more.

Rotters by Daniel Kraus, Paperback | Barnes & Noble®

Daniel Kraus's ROTTERS is far from a beautiful book. It is gritty, graphic, violent, gut-wrenching, and so, so addicting. Don't be afraid to read outside of your comfort zone. Sometimes, the most unlikely books end up being one of the best you've read in a while. ROTTERS is just one of those books in which the summary cannot do it justice. A few paragraphs and a handful of sentences cannot capture the essence of the novel.
