Phil Town's Rule #1, Part #1. As cynical as I am, there are still forms of human gullibility that

surprise me. For example, I am forced to conclude that those Nigerian emails promising tens of millions of dollars must somehow snare a few people, otherwise they wouldn't get sent.

Advice

So, what exactly does Phil's Rule 1 system involve and what made me intrigued enough to give it a try? The thing that made me try Phil's system was that it is the only individual stock picking strategy that is actually 1) systematic, 2) repeatable, 3) formulaic, and 4) most importantly, has a way to block emotions from coming in to investing.

PHIL TOWN: The Three Tools

Rule #1 by Phil Town is not a general personal finance book, and it's not a book for beginning investors — it turns a lot of conventional

investment wisdom on its ear. The book explores a philosophy ascribed to Columbia University's Benjamin Graham (author of The Intelligent Investor), and popularized by Graham's student, Warren Buffet (perhaps the most successful investor of all time).
