I'm really enjoying this series. Brian Harmon is an excellent writer and story teller. I was an avid Stephen King fan for years but haven't read him for a while because I got tired of the gratuitous use of bad language and sex. While there is some use of bad language in Mr. Harmon's books, it's few and far between and there are no sex scenes.

I love all of the Rushed books and buy everything Brian Harmon writes. I have been addicted to Brian's books ever since I read the Temple of the Blind series. He mixes horror with comedy in a way that is so unexpected but it is ingenious.
