Hard reset instructions for Sagemcom 5250. If your 5250 router is not working as it should, dropping connections or not being responsive, you should first do a reset of the router to see if the problems persist. Other scenarios where you might want to reset your router is if you've forgotten the password or misconfigured it and can't get access anymore.

Sagem 750x User Guide
Mobile terms glossary GSM stands for Global System for Mobile Communication and is the most popular 2G mobile phone standard in the world. GSM is used by about 80% of all mobile phones - approximately 2 billion people across more than 212 countries. The widespread use of the GSM standard has made it easy for most mobile phone users to use their phones overseas thanks to roaming agreements ...
