The WBA application allows you to search for, view, copy, and print Nuclear Regulatory Commission (NRC) public documents stored in ADAMS public libraries. From the Web-based interface, the following libraries are accessible:

User Guide Template | TechWhirl

A User Guide on paper is less likely to be useful to “casual” users who make only occasional use of the system. Experience says that such users will rarely consult a manual. So for them the bulk of the User Guide information has to be available on line, supported by a good indexing system and (ideally) some diagnostic wizards.
