Hi, Does anyone have a AU-717 owners manual (not repair or service manual). I just bought this amp as an upgrade from our original AU-317 amp and TU-417 tuner (our wedding gift to each other-Jan. 1980) and can't seem to find an owner/operator manual. A photocopy or scan would be great! Any help would be appreciated.

THis is to help others with this Sansui Au 717 amp. For years one channel would almost go out unless I turned the volume up very loud to sort of clear it out. It took my a long while to discover the by toggling the preamp switch in the back of the unit back and forth, it would clear the problem completely, and would work for a long time before I needed to do it again.
