### Scholarships | FinAid

Colleges often have scholarship money available that is used to develop the financial package offered to an applicant who has been granted admission. These types of scholarships are available under a variety of terms that may include maintaining a certain GPA or pursuing a specific major.

### Scholarship Information Guide

A scholarship will affect your other student aid because all your student aid added together can't be more than your cost of attendance at your college or career school. So, you'll need to let your school know if you've been awarded a scholarship so that the financial aid office can subtract that amount from your cost of attendance (and from certain other aid, such as loans, that you might have been offered).
