Science and Sanity: An Introduction to Non-Aristotelian ...

SCIENCE. SANITY. AN INTRODUCTION TO. NON-ARISTOTELIAN SYSTEMS AND. GENERAL SEMANTICS. BY. ALFRED KORZYBSKI. AUTHOR, Manhood of . Find Science and Sanity by Alfred Korzybski- at Biblio. Uncommonly good collectible and rare books from uncommonly good booksellers. That was my first introduction to the work of Count Alfred Korzybski.

Science and sanity: An introduction to non-Aristotelian ...

User Review - Flag as inappropriate Indispensable. Anyone who takes the time to absorb Korzybski will never listen to language the same way. The book is dense, the prose a bit turgid (AK was Polish and English was his fifth language), but Science and Sanity has been for decades on the list of top ten non-fiction books that have influenced me deeply.

Science and Sanity Quotes by Alfred Korzybski

Personally, I can't think of anything that has affected me more than Korzybski's text, with the possible exception of the movie, 'Swedish Fly Girls.' A dazzling display of knowledge is Science & Sanity -- a great synthesis of learning -- an achievement comparable in some ways to that of Aristotle.

Science and Sanity: An Introduction to Non-Aristotelian ...

science and sanity is actually the antidote to many philosophies that uses confusions in their understanding of language to create meaningless questions, and respond with meaningless answers. That being said, the book tends to repeat the same messages over and over (map is not the territory, deny the is of identity).

General semantics is a self-improvement and therapy program begun in the 1920s that seeks to regulate human mental habits and behaviors. After partial launches under the names human engineering and humanology, Polish-American originator Alfred Korzybski (1879-1950) fully launched the program as general semantics in 1933 with the publication of *Science and Sanity: An Introduction to Non ...*
