Creative Screenwriting Magazine - Home | Facebook

Your logline is your one-sentence movie pitch. It's what producers and agents want to hear before they'll even glance at your script. Ideally, you should have a solid logline in place before you even start writing your script, because if your idea doesn't work as a logline, you can be pretty damn sure it won't work as a script.

Screenwriting - Wikipedia

The Journal of Screenwriting aims to explore the nature of writing for the moving image in the broadest sense, highlighting current academic thinking around scriptwriting whilst also reflecting on this with a truly international perspective and outlook. Professional writing software - Writer Duet

Sell your script idea. When shopping your screenplay around Los Angeles or New York, a gripping logline is one of the best tools for writing a query letter that gets busy producers, agents, or managers interested in reading your script. Producers might use a logline to get a studio, financier, or other type of buyer interested in a script.
