Y2K Sea Doo 951 Group K Engine Modifications
I ride 99 percent in the ocean, I have a 1998 gsx with the 787 engine, very reliable, 145hrs and still 153psi compression on both cylinders. i also ride a waveventure 1100 when the oceans really rough. im interested in upgrading to a newer seadoo, probably a rx, however most have the 951 engine.I always watch and buy used skis and over the years and ive noticed so many seadoos for sale with ...

New & Used SeaDoo Engines, Short Blocks, Pistons ...
Hello all. I just came across this forumn by searching for common problems with 951's. I am looking at a 2000 Sportster with the 951. I've owned a handful of 720's & 787's in the past but have always strayed from the 951 due to various negative feedback many years ago. Can anyone tell me their...

Sea-Doo Standard Engine 951 /947 Silver GSX LTD /GTX /XP ...
The popular 718cc and 782cc Sea Doo engines use only "O" rings for head sealing. However the cast components of those engines are not nearly as large as the 951's, and so subject to considerably less sealing surface "movement", compared to the 951 top end.

Rebuilt Sea Doo engines - fullboreonline.com
So what oils is everyone running in their 951 engine? I run only sea-doo XPS full synthetic. Any other options? Please list pros/cons.
