Subaru's FB25 was a 2.5-litre horizontally-
opposed (or 'boxer') four-cylinder petrol
engine. Effectively replacing the EJ253, the
FB25 engine was a member of Subaru's third
generation 'FB' boxer engine family which
also included the FB20, FA20D, FA20E and
FA20F engines. The FB25 engine first offered
in Australia in the 2011 Subaru SH.II
Forester.
