The Fog Beat Sheet - Save the Cat!®
Navigating Fog. By Tom Neale. Even with all the electronic eyes and ears on our modern vessels, fog at sea can bring on disorientation, panic, and danger. Here's how to get ready and deal with it. Photo: Mel Neale. When you're boating in fog, your perception of the world around you changes dramatically. Basic instincts don't work well, if at all.

Ships In The Fog Math Problem They turn the huge light on top of that thing so they can see that there is a big lighthouse there and also so that the ship don't run into any rocks or things like that!! ADDED: Many lighthouses also had audible fog-signals, powerful sirens that emitted blasts of sound of similar pattern to the lamp's flashes.
