*Amongst all of this was a fair amount of historical lore and recent history, but it felt like the writer added this information in more for filling than as an integral part of the book. As I stated above, a quite interesting read if you want to know the science of mushrooms, but not the social and cultural history I was looking for.*

*Psilocybin mushroom - Wikipedia*

*Shroom is, in essence, a big bucket of cold water. Refilled repeatedly, its sobering crash quells the inflamed romanticism of one theory about psychoactive fungi after another. In one sense, ploughing through this thoroughly researched and succinctly crafted survey of the impact of psilocybin and fly agaric mushrooms on human culture becomes, at times,*
