and find eBook by genre. Kindle books can only be loaned once, so if you see a title you want, get it before it's gone.

### **Sight Reduction Tables For Air Navigation Pub 249 Vol 1**

...

Sight reduction is the process of deriving from a sight the information needed for establishing a line of position.. Sight is defined as the observation of the altitude, and sometimes also the azimuth, of a celestial body for a line of position; or the data obtained by such observation.. Nowadays sight reduction uses the equation of the circle of equal altitude to calculate the altitude of the ...
