The Texas Sirens series has been consistently entertaining to read, but this fourth re-release is, hands down, a cut above the rest. Penned by bestselling author Lexi Blake under the nom de plume Sophie Oak, Siren Beloved is a second chance M/F/M romance featuring characters that were earlier introduced in the series, but this can still be read as a standalone.

4.5 stars for - Siren Beloved - book 4 in  
the Texas Sirens series by Lexi  
Blake/Sophie Oak. This is a re-release  
with new material that I loved even more  
the second time around. Fair warning  
though in my opinion this is some of the  
sexiest writing Lexi has ever given us with  
lots of MMF loving through out.
