The Skinny Halogen Oven Family Favourites Recipe Book ...

I bought Crofton halogen oven couple of yrs back and it has made my cooking and baking a lot easier. I try any recipe and it turns out to be marvelous .I only needed to understand the temp initially because it's a small close heating space so require less time for heating up and cooking than conventional ovens. Also it utilises less electricity its much easier to clean it up .I absolutely love it.

I also wanted to insulate the halogen die cast aluminium casing to reduce energy/heat loss and, more importantly, to prevent burning if I accidentally touched the outer casing. So for the second hack of the day, I took the wall mounting bracket, which was attached to the floodlight body, and screwed this inside the die cast body to allow me to move the R7 lamp holder forward.
