This guide is essential for the Special Edition version of Skyrim. I recommend buying the original guide and ensure it comes with the map. This is a great supplement and the Special Edition areas that were added are included in this guide. It still sucks that this guide has no index, but I have learned to appreciate what it contains.

New Player Guide (Author's Note: This Guide is a WIP. I'll be updating it frequently over the next few days) Skyrim is a game whose core goal is exploration and experiencing it the way you want to experience it. In keeping with this principle, it is almost impossible to get your character into an unplayable state.

Skyrim Players Guide

The Elder Scrolls V: Skyrim is one of the biggest games in history. It is almost impossible to learn all its elements by yourself, so we created this tutorial. It contains a complete walkthrough describing all the quests present in the game (main, side, Deadric, Guild-related, and those related to the civil war), as well as their branching paths and alternative ways of completing them.
