Veterinary Surgery: Small Animal - 1st Edition

"The textbook is well laid out and easy to read, although some of the surgical procedure descriptions could have been easier to follow." (Veterinary records, 2016) "Small Animal Surgical Emergencies should find a place on the shelf of all general practitioners with a special interest in surgery and critical care. Surgical residents will find ...

Textbook of Small Animal Surgery - Google Books

This is definitely the best small animal surgery book on the market. I have used it as a new grad and even now as a more "experienced" practitioner. Very good for soft tissue and orthopedic topics, with concise but thorough explanations of how/which surgical option is best for a given type of condition (fracture type, etc) I'm buying a set as a ...
