ASE A1 Practice Test (Updated 2020)

Hi so I love working on small engines and was thinking of going into it as a profession. I know my way around an engine fairly well (well at least I like to think so anyways) I recently got a push mower that didn't work just to turn some wrenches on and after a carberator cleaning I got it running fairly well but I would like to do a few more things just to get some practice but I don't know ...
