Neoliberalism - Wikipedia
With the rise of neoliberalism in the late 1970s and early 1980s and the Third Way between the 1990s and 2000s, social democracy became synonymous with it. As a result, the section of social democracy that remained committed to the gradual abolition of capitalism and oppose the Third Way merged into democratic socialism.

Neoliberalism: the idea that swallowed the world | News ...
When philosophers speak today, however, of 'Social Networking and Ethics', they usually refer more narrowly to the ethical impact of an evolving and loosely defined group of information technologies, most based on or inspired by the 'Web 2.0' software standards that emerged in the first decade of the 21 st century.

Social Democracy In Neoliberal Times
The society set out to develop a neoliberal alternative to, on the one hand, the laissez-faire economic consensus that had collapsed with the Great Depression and, on the other, New Deal liberalism and British social democracy, collectivist trends which they believed posed a threat to individual freedom.

Third Way - Wikipedia
Neoliberalism is a difficult term that deals specifically with economic ideas about free markets. Neoliberalism is characterized by free market trade, deregulation of financial markets, privatization, individualisation, and the shift away from state welfare provision. The neoliberal era began in the 1970s and continues to the present.
